Osborne Co-operative Academy Trust

Osborne Co-operative Academy Trust is a multi-academy trust (MAT) incorporated around the principles and values of the international co-operative movement. These are Equality, Equity, Democracy, Self-help, Self-Responsibility and Solidarity, along with the ethical values of openness, honesty, social responsibility and caring for others. These values and principles underpin all our actions.

This acceptable user policy refers to the Trust Online Safety Policy, please refer to this for further details.

Responsible Use of the Internet Rules for Key Stage 2 Pupils

The computer system is owned by Osborne Co-operative Academy Trust and may be used by pupils to further their education and prepare them for today's world. The rules will keep everyone safe and help us to be fair to others.

Pupils requesting Internet access should sign a copy of this Acceptable Internet Use Statement and return it to the Headteacher for approval. Irresponsible use may result in the loss of device/IT equipment access and further penalties. This AUP will help pupils keep happy and safe at school and home.

1. ***I learn online*** – I use the school's internet, devices and logons for schoolwork, homework and other activities to learn and have fun. All school devices and systems are monitored, including when I'm using them at home.
2. ***I learn even when I can't go to school*** – I don't behave differently when I'm learning at home, so I don't say or do things I wouldn't do in the classroom or nor do teachers or tutors. If I get asked or told to do anything that I would find strange in school, I will tell another teacher.
3. ***I ask permission*** – At home or school, I only use the devices, apps, sites and games I am allowed to and when I am allowed to.
4. ***I am creative online*** – I don't just spend time on apps, sites and games looking at things from other people. I get creative to learn and make things.
5. ***I am a friend online*** – I won't share or say anything that I know would upset another person or they wouldn't want shared. If a friend is worried or needs help, I remind them to talk to an adult, or even do it for them.
6. ***I am a secure online learner*** – I keep my passwords to myself and reset them if anyone finds them out. Friends don't share passwords!
7. ***I am careful what I click on*** – I don't click on unexpected links or popups, and only download or install things when I know it is safe or has been agreed by trusted adults. Sometimes app add-ons can cost money, so it is important I always check.
8. ***I ask for help if I am scared or worried*** – I will talk to a trusted adult if anything upsets me or worries me on an app, site or game – it often helps. If I get a funny feeling, I talk about it.
9. ***I know it's not my fault if I see or someone sends me something bad*** – I won't get in trouble, but I mustn't share it. Instead, I will tell a trusted adult. If I make a mistake, I don't try to hide it but ask for help.
10. ***I communicate and collaborate online*** – with people I already know and have met in real life or that a trusted adult knows about.
11. ***I know new online friends might not be who they say they are*** – I am careful when someone wants to be my friend. Unless I have met them face to face, I can't be sure who they are.
12. ***I check with a parent/carer before I meet an online friend*** the first time; I never go alone.
13. ***I don't do live videos (livestreams) on my own*** – and always check if it is allowed. I check with a trusted adult before I video chat with anybody for the first time.
14. ***I keep my body to myself online*** – I never get changed or show what's under my clothes when using a device with a camera. I remember my body is mine and no-one should tell me what to do with it; I don't send any photos or videos without checking with a trusted adult.
15. ***I say no online if I need to*** – I don't have to do something just because someone dares or challenges me to do it, or to keep a secret. If I get asked anything that makes me worried, upset or just confused, I should say no, stop chatting and tell a trusted adult immediately.

16. ***I tell my parents/carers what I do online*** – they might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I'm doing.
17. ***I follow age rules*** – 13+ games and apps aren't good for me so I don't use them – they may be scary, violent or unsuitable. 18+ games are not more difficult or skills but very unsuitable.
18. ***I am private online*** – I only give out private information if a trusted adult says it's okay. This might be my address, phone number, location or anything else that could identify me or my family and friends; if I turn on my location, I will remember to turn it off again.
19. ***I am careful what I share and protect my online reputation*** – I know anything I do can be shared and might stay online forever (even on Snapchat or if I delete it).
20. ***I am a rule-follower online*** – I know that apps, sites and games have rules on how to behave, and some have age restrictions. I follow the rules, block bullies and report bad behaviour, at home and at school.
21. ***I am not a bully*** - I do not post, make or share unkind, hurtful or rude messages/comments and if I see it happening, I will tell my trusted adults.
22. ***I am part of a community*** – I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult and/or report it.
23. ***I respect people's work*** – I only edit or delete my own digital work and only use words, pictures or videos from other people if I have their permission or if it is copyright free or has a Creative Commons licence.
24. ***I am a researcher online*** – I use safe search tools approved by my trusted adults. I know I can't believe everything I see online, know which sites to trust, and know how to double check information I find. If I am not sure I ask a trusted adult.

The Trust may exercise its right by electronic means to monitor the use of the school's computer systems, including the monitoring of websites, the interception of e-mails and the deletion of inappropriate materials in circumstances where it believes unauthorised use of the school's computer system is or may be taking place, or the system is or may be being used for criminal purposes or for storing text or imagery which is unauthorised or unlawful.

Monitoring, Evaluation and Review

The Trust board will review this policy at least every two years and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.

--------	--------

I understand that I am responsible for my actions, both in and out of school:

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information).
- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I will be subject to disciplinary action. This may include loss of access to the school network / internet, detentions, suspensions, contact with parents and in the event of illegal activities involvement of the police.

I have read and understand the above and agree to follow these guidelines when:

- I use the school systems and devices (both in and out of school)
- I use my own devices in the school (when allowed) e.g. mobile phones, gaming devices USB devices, cameras etc.

I use my own equipment out of the school in a way that is related to me being a member of this school e.g. communicating with other members of the school, accessing school email, VLE, website etc.

If I have any questions, I will speak to a trusted adult. At school that includes:

Outside school, my trusted adults are:
