Osborne Co-operative Academy Trust

Osborne Co-operative Academy Trust is a multi-academy trust (MAT) incorporated around the principles and values of the international co-operative movement. These are Equality, Equity, Democracy, Self-help, Self-Responsibility and Solidarity, along with the ethical values of openness, honesty, social responsibility and caring for others. These values and principles underpin all our actions.

Responsible Use of ICT Acceptable User Policy (Visitors & Contractors)

It is important that all visitors and contractors take all possible and necessary measures to protect the Trust's data and information systems from infection, unauthorised access, damage, loss, abuse and theft. To ensure that visitors and contractors are fully aware of their professional responsibilities when using Information Communication Technology and the school systems, they are asked to read and sign this Acceptable Use Policy.

This is not an exhaustive list and everyone is reminded that ICT use should be consistent with the Trust's ethos, other appropriate policies (GDPR) and the Law.

1. I understand that any activity on a school device or using school networks, platforms, internet and logins may be captured by one of the school's systems security, monitoring and filtering systems and/or viewed by an appropriate member of staff.
2. I will never attempt to arrange any meeting, **including tutoring session**, without the full prior knowledge and approval of the school, and will never do so directly with a pupil. The same applies to any private/direct communication with a pupil.
3. I will leave my phone in my pocket and turned off. Under no circumstances will I use it (or other capture device) in the presence of children or to take photographs or audio/visual recordings of the school, its site, staff or pupils/students. If required (e.g. to take photos of equipment or buildings), I will have the prior permission of the headteacher (this may be delegated to other staff) and it will be done in the presence of a member staff.
4. If I am given access to school-owned devices, networks, cloud platforms or other technology:
 - I will use them exclusively for the purposes to which they have been assigned to me, and not for any personal use
 - I will not attempt to access any pupil / staff / general school data unless expressly instructed to do so as part of my role
 - I will not attempt to make contact with any pupils/students or to gain any contact details under any circumstances
 - I will protect my username/password and notify the school of any concerns
 - I will abide by the terms of the school Data Protection Policy and GDPR protections
5. I will not share any information about the school or members of its community that I gain as a result of my visit in any way or on any platform except where relevant to the purpose of my visit and agreed in advance with the school.
6. I will not reveal any new information on social media or in private which shows the school in a bad light or could be perceived to do so.
7. I will not do or say anything to undermine the positive online-safety messages that the school disseminates to pupils/students and will not give any advice on online-safety issues unless this is the purpose of my visit and this is pre-agreed by the school. NB – if this is the case, the school will ask me to complete Annex A and consider Annex B of '[Using External Visitors to Support Online Safety](#)' from the UK Council for Child Internet Safety (UKCIS).
8. I will report any behaviour which I believe may be inappropriate or concerning in any way to the Designated Safeguarding Lead (if by a child) or Headteacher/Principal (if by an adult).
9. I will only use any technology during my visit, whether provided by the school or my personal/work devices, including offline or using mobile data, for professional purposes and/or those linked to my visit and agreed in advance. I will not view material which is or could be perceived to be inappropriate for children or an educational setting.
